

# SAN FRANCISCO BAY AREA TANKERS RADIO-CONTROLLED MODEL ARMOR CLUB APPLICATION FOR MEMBERSHIP

Any applicant that lives in any of the following counties that surround the San Francisco Bay – San Francisco, San Mateo, Santa Cruz, Santa Clara, Alameda, Contra Costa, Marin, Napa, Solano, or Sonoma – is required to pay annual dues of \$20, and is classified as an ACTIVE member.

Those individuals living outside of this area may be either an ACTIVE or an ASSOCIATE level member. The differences are that an Associate member lives outside of the region, pays only \$5 annually – not \$20 – has no voting rights and has no primary claim of radio frequencies over an Active member during meetings or Battle Days. In addition his renewal date is whatever

date we received his application, not necessarily January 1st as it is at the Active level. Otherwise the benefits for both levels are the same: you may participate in any museum tour, meeting or event, receive e-mail newsletters and notices, and have access to club regalia.

ACTIVE member applicants are required to send in a pro-rated amount if they are not joining within the first quarter of the year. In other words, if you join in the first quarter, your first time payment and your renewal dues amount is \$20, but only \$15 if application is during the second quarter, \$10 for the third, and finally \$5 for the last quarter. You may prepay for the next year, but only with a January start date. ASSOCIATE members may pay their annual \$5 at any time, and the day that the money is received becomes their renewal date thereafter. Renewal of ACTIVE membership is due on January 1. If an Active membership renewal payment is received after March 31st, a late fee of \$5 will be levied.

Please read the constitution available from the club Secretary at [richupton@earthlink.net](mailto:richupton@earthlink.net) before submitting your application. Once you have joined BAT, you have, in effect, accepted the articles of this document and agree to abide by them. You will receive the password permitting access to the club roster, frequency list, BAT Bulletin Archive, and any other club data within the BAT BUNKER.

Currently you may send your application and check made out to:
